The Library Board adopted of the City of Brampton's *Use of Corporate Resources Policy* in addition to the relevant sections of the Municipal Elections Modernization Act, 2016 as a means of establishing rules and procedures with respect to the use of municipal or board resources during election campaigns.

1. PURPOSE

The Brampton Public Library Board is subject to the Municipal Elections Act and encompassed by the definition of "local board" in the Municipal Affairs Act, it is required to establish rules and procedures with respect to use of board resources by May 1, 2018.

2. POLICY STATEMENT

The Brampton Public Library Board adopts the City of Brampton's Use of Corporate Resources Policy.

3. SCOPE

This policy is applicable to all employees and members of the Library Board.

4. RESPONSIBILITY OF THE BOARD

The Brampton Public Library Board adopts the relevant sections of the Municipal Elections Modernization Act, 2016 as a means of establishing rules and procedures with respect to the use of municipal or board resources during an election campaign.

5. APPLICATION OF POLICY

The City of Brampton has a Use of Corporate Resources Policy that applies to all Members of Council and City staff. If adopted, the policy would apply to Councilors and Trustees serving on the Brampton Public Library Board and staff of the Brampton Library, as it relates to their office budgets and any Brampton Library and City resources that are used.

Additionally, since the Municipal Act, 2001 is silent on the subject of eligibility of candidates employed by local boards, Library staff recommends the explicit adoption of Sections 256, 257 and 258 of the Act to ensure that Library Board policy is aligned with the eligibility qualifications for the City of Brampton.
