inspiring connections

Brampton Library
65 Queen Street East
Brampton, ON L6W 2A8

Dear Parent or Guardian,

Your child will soon be visiting Brampton Library with his/her class. This opportunity will allow students to tour their local library, and to learn about and browse through the large collection of materials that the library has to offer.

If your child already has a Brampton Library card, please send it with them on the day of the visit. If your child does not have a Brampton Library card, please complete the attached application form and return it to their classroom teacher. Those students who complete a new card application will receive their library card on the day of the visit.

A few items to note about Library Membership:

1. There is no charge for a Brampton Library membership.
2. After a parent/guardian has signed the application for a library card, the child is entitled to full borrowing privileges and the parent is responsible for materials borrowed on the child's card.
3. Overdue fines are charged when library materials are not returned within the stated loan period: \$0.25 per day for books and magazines; \$1.00 per day for DVDs. Late fees are applied to a maximum of \$10.00 per item
4. The replacement fee for a lost card is \$2.00

If you would like to review the library's borrowing policy, please visit BramptonLibrary.ca, or pick up a information flyer at any Brampton Library location.

We also ask you to confirm whether you have given permission for your child to be photographed/video recorded during their visit. Photos and recordings will be used to showcase participation and to promote visiting the library to other schools in Brampton.

Along with hosting class visits, we also offer a variety of programming for children, teens, adults, and seniors. We hope that you will visit us to experience the variety of programs and services that are available to you, free of charge.

Should you have any questions, please speak to our library staff at one of our locations, or call the library at 905-793-4636.

Sincerely,

Brampton Library
